

**STALEXAUTO**

European specialists · All makes welcome · Melbourne

#### CORPORATE PROPOSAL

# Fleet servicing that keeps your business moving

A dedicated corporate service program for companies running passenger cars, SUVs and light commercial vehicles across Melbourne's west.

*Advanced diagnostics · Honest advice · Workshop-ready reporting*

#### CORPORATE SERVICE FROM

**\$179** + GST

**Plus 20% off** eligible servicing & repairs for business fleets — confirmed at booking and cannot be combined with other promotions.

Standard package. Final price depends on vehicle type and oil capacity (e.g. larger diesel). Priority booking and one workshop contact for your fleet.

# Fleet downtime is expensive. Guesswork is worse.

Growing businesses need predictable servicing, transparent costs, and a workshop that understands mixed European and mainstream fleets.

01

## Scattered workshops

Different garages, different standards, no single view of what was done or what is due next.

02

## Surprise invoices

Unclear quotes and reactive repairs make budgeting hard and create friction with drivers.

03

## Lost productivity

Every day a company car sits waiting is a day your team is less productive on the road.

# Corporate Fleet Service — built for operators

One partner for scheduled servicing, diagnostics and repairs — from **\$179 + GST**, plus **20% off** eligible servicing and repairs for business fleets. Final price depends on vehicle type and oil capacity.

## What's included from \$179 + GST

- Scheduled service inspection tailored to make & model
- Oil & filter service where applicable to the package
- Safety check: brakes, tyres, lights, fluids
- Digital invoice & clear next-service recommendations
- Dedicated fleet booking coordination

## Fleet advantages

- **20% off** eligible servicing & repairs for business fleets
- Priority scheduling for company vehicles
- Consistent reporting across your whole fleet
- European specialists — Japanese, Korean & all makes welcome
- Transparent quotes before major work begins

# Independent workshop. Premium standards.

Based in Williamstown North — modern diagnostics, commercial turnaround, without dealer mark-ups.

## Euro+

European specialists · all makes welcome

## Fast

Priority booking for company cars

## 9–7

Mon–Sat workshop hours

## 1

Point of contact for your fleet

## Diagnostics first

We investigate before we replace. Less guesswork, fewer unnecessary parts.

## Clear paperwork

Itemised invoices ready for accounts — suitable for reimbursement and audits.

## Local & accountable

Inner-west Melbourne workshop with technicians you can call, not a call centre.

# Simple onboarding. Predictable servicing.

From first conversation to recurring fleet schedule —  
four clear steps.

1

## Share your fleet

Send make, model, rego and current service intervals for each vehicle.

2

## Agree the package

We confirm scope from \$179 + GST and your 20% fleet discount on eligible work.

3

## Book & service

Priority slots, fast diagnostics, and status updates while cars are with us.

4

## Report & plan ahead

Invoices, recommendations and next due dates — so nothing slips through.

**STALEXAUTO**

Let's put your fleet on a proper schedule

#### NEXT STEP

## Ready to reduce downtime and simplify servicing?

Tell us how many vehicles you run. We'll prepare a corporate plan from \$179 + GST, with **20% off** eligible servicing and repairs for business fleets.

### Book a fleet consultation

Preferred: call or WhatsApp with your vehicle list. We'll reply with availability and a tailored proposal.
